New Credential Holder Query

Be sure to check out the Department's new credential holder query feature on the Internet. You will find it at <http://www.drl.state.wi.us>.

By accessing this site you will be able to verify whether an individual or business entity holds or has held a license in any of the professions regulated by the Department. You will also find a list of the licensed employees under each business entity.

Profession Keeps "Rolling Along" Clarification

The article in the last Regulatory Digest noted that the Board approved a "request to operate a mobile establishment." The Board actually determined that licensing a mobile establishment would be feasible, as long as the applicant fulfilled all the requirements in place for a regular establishment. However, no one has applied for a mobile establishment license since the Board's determination.

Scope of Practice Advisory Committee for Aestheticians, Electrologists and Manicurists

Secretary Marlene A. Cummings has appointed an advisory committee consisting of instructors, practitioners and board members (professional and public). The purpose of the Committee is to recommend to the Barbering and Cosmetology Examining Board, a scope of practice for each of the specialty professions (aesthetics, electrology and manicuring), courses of instruction and any policy changes that are consistent with the protection of the health, safety and welfare of the citizenry of Wisconsin. The Committee held its first meeting on March 20, 2000. The Committee decided to meet at least 4 more times: May 1 (10:00 a.m. to 3:00 p.m.); and from 9:00 a.m. to 3:00 p.m. on June 19, July 17 and August 21. All of the meetings are held at the Department of Regulation and Licensing, 1400 East Washington Avenue, Madison, and are open to the public.

Forfeiture Grid

The Board has approved the forfeiture grid on the next page assessing fines for administrative rule violations. The Department staff assess a fine, based on whether the offense is a first-, second-, or third-time offense. In some cases a fine is assessed according to the length of time of the violation (timeline: 0 to 5 months, 6 months to 1 year, 1 year or more). The Board has been able to expedite the closing of complaints by using this grid.

Tax Consequences of Booth Rental

The rules for booth rental were recently revised to allow persons to rent booths without obtaining separate establishment and manager's licenses, provided that the owner and the manager of the lessor establishment retain their responsibilities. See section BC 3.02 (2) of the administrative rules. Please be aware that the Internal Revenue Service treats persons who have a manager responsible for them in any way, as employees rather than as independent contractors. It may be advisable to confer with an accountant or a tax attorney about these matters.

Practice Issue – Electrology

Electrologists who choose to utilize re-usable probes, sterilizing them between each use, could be forfeiting their clients' rights to blood donation. The Madison Red Cross has confirmed that any re-use of materials used for parenteral procedures (needles, probes, etc.) disqualifies that patient/client from blood donation for one year after such use. The Board recommends that these patients/clients be informed of this possible consequence prior to treatment.

Complaint Statistics

Complaints Received in 1999 – 95

Complaints Closed After Screening – 34

Complaints Closed After Investigation – 50

Complaints Closed with Discipline – 70

Note: The number of complaints closed includes complaints received prior to 1999.

Disciplinary Actions

The Board and the Department have taken a number of disciplinary actions against licensees or other persons for providing services without the proper licenses, not disinfecting instruments, not properly washing hands, renting chairs without licenses and other similar violations.

The Board assessed forfeitures in these cases ranging from \$100 to \$1,000. Some of these actions are summarized below. You may, however, review all of them at: <http://www.state.wi.us/agencies/drl/Regulation/html/publications2.html>
